

Do you Have Enclosures Overheating?

Don't
Do
This!

Can You Afford:

- Recurring Equipment Failures?
- Costly Downtime?
- Dangerous Arc Flash Hazards?
- Injured Employees?

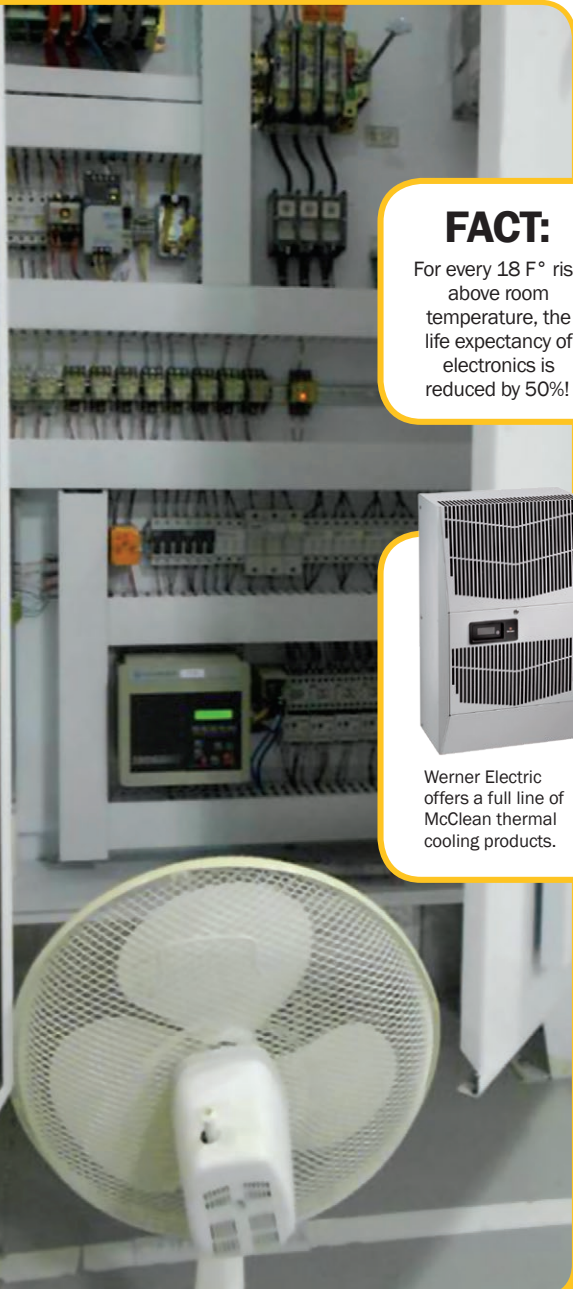

Schedule a **FREE** thermal audit with Werner Electric Supply and Hoffman and we will provide you a cooling solution that **meets your needs.**

FACT:

For every 18 F° rise above room temperature, the life expectancy of electronics is reduced by 50%!

Werner Electric offers a full line of McClean thermal cooling products.

AVOID ARC FLASH HAZARDS!

Schedule a FREE Thermal Audit Today!
